In accordance with data protection law, Biogen Sweden, Kanalvägen 10A 19461 Upplands Väsby, ("Biogen") processes personal data we collect from you in order to administrate the meeting and fulfil tax accounting and tax regulations. Such collection is necessary to provide you with this service and our processing is in Biogen's legitimate interest as a pharmaceutical company. Where necessary, Biogen may transfer your personal data to other companies in its group and may also engage third party services providers (e.g. IT service providers) to process your personal data on its behalf. Such parties may be located outside Europe, but Biogen will ensure that all recipients are contractually (e.g. by Standard Contractual Clauses) and/or legally obliged to comply with privacy standards in accordance with data protection law. Biogen retains your personal data for no longer than is necessary for the purposes for which it is collected. You may contact Biogen if you would like to access your personal data or require information about the personal data that Biogen holds about you. You may object to the processing of your personal data for legitimate reasons and you may also request the correction or erasure of it. Should you feel it necessary, you also have the right to lodge a complaint with your data protection authority. If you have questions about our processing of your personal data, you can contact Biogen's Data Protection Officer at privacy@biogen.com.
